To Whom it May Concern:

On behalf of the City of Worthington, please accept this as a letter of recommendation for Scioto Energy. The City of Worthington has been utilizing Scioto Energy as its electric procurement management team since June 2012. They have assisted the City in reviewing all of the available suppliers and the applicable pricing options. Additionally, they helped provide an understanding of the risk involved and quantified actual savings since the transition from traditional billing through AEP. Scioto Energy has proven to be a positive move for the City. We are pleased they are a part of our energy procurement and risk management team.

Sincerely,

A handwritten signature in blue ink that reads "Molly Roberts". The signature is fluid and cursive, with the first name "Molly" being more prominent than the last name "Roberts".
